

CONGRATULATIONS!

Rochester's Committee on Urban Design & Environment  
has selected

**Art on the Ave**

As the recipient of CUDE's annual award for  
**Community Site Enhancement**

An awards ceremony in your honor will be held in the Elliot Suites of the Mayo Civic Center on Tuesday, March 20, 2012 from 7:30 am until 9:00 am. The Mayor, City Council members, and local media will be among those in attendance. As part of the program, we would like you to briefly share the background of your project with the audience; what inspired you to do it the way you did? Please invite some of the key players in the project, but try to keep your party down to six people if at all possible. Since this is a catered affair, it is necessary to have an exact headcount; contact Sandi Goslee at the Rochester-Olmsted Planning Department at 328-7133 or at [goslee.sandi@co.olmsted.mn.us](mailto:goslee.sandi@co.olmsted.mn.us) by March 6, 2012 to confirm your attendance and provide us with the names of those in your party. Hope to see you there!
