**Name:** Randy Schubring

**1. Why are you interested in serving on the SPNA Board?**

I am a current Board Member and enjoy serving as an advocate for improving the livability of Slatterly Park. In addition to serving on the Board since April of this year, I also served on the Imagine Slatterly Task Force. I am a graduate of the Leadership Greater Rochester program, sponsored by the Rochester Chamber of Commerce.

**3. Please describe any specific skills that you would bring to the board (i.e. community organizing, financial management, legal background, event planning, etc.):**

I work as Public Policy Manager at Mayo Clinic so I have strong level of experience working with public officials at the federal, state and local levels. In the past, I have worked in marketing, communications and as political director to the mayor of Minneapolis.

**4. Please describe any experience you have working for or serving on the board of a nonprofit organization:**

In the past, I served as president of both the Hamline Midway Coalition and the Macalaster Groveland Community Council, two separate Saint Paul neighborhood organizations.
